

LED Logo Sign

PRODUCT DESCRIPTION

Everbrite Electronics developed the LED logo sign as an affordable, yet durable and attractive product to showcase your company, team or affiliate logo with pride. From advertising your company to showing off your team spirit, the logo sign will provide years of reliable service from the energy efficient white LED's.

INSTALLATION INSTRUCTIONS

Your LED logo sign may be hung in multiple configurations depending on your intended location. Mounting rings have been installed in 3 locations and a small chain has been included for your convenience. Simply hang sign as desired, connect the supplied power supply to the sign and plug into 120VAC wall outlet.

Wall mount: Hang the sign using the center ring on a nail or hook installed on your wall.
Window mount: Hang the sign using the chain on the edge mounted rings as desired.
